Chart Throb by Ben Elton | Books | The Guardian

If you, like me, are a fan of Ben Elton's writing, you will be disappointed. Chart Throb is based on the X Factor type reality shows in the same way that Dead Famous was based on Big Brother. I loved Dead Famous and would highly recommend that book, but Chart Throb probably lets itself down by being too realistic!

Chart Throb —the ultimate pop quest. Ninety-five thousand hopefuls. Three judges. Just one winner. And that is Calvin Simms, the genius behind the show. Calvin always wins because Calvin writes the rules. But this year, as he sits smugly in judgment upon the clingers and blingers whom he has preselected in his carefully scripted "search" for a star, he has no idea that the rules are changing.

And so Elton gets to work. Just as Dead Famous showed how much he really, really hated Big Brother, so Chart Throb displays his contempt for The X Factor in every line. It's a deliciously caustic performance, set in a world where "we've turned the whole country into one vast medieval village so that we can all stand in the market square and laugh at the idiots," where "anything not beautiful or fashionable was deemed worthless," and where celebrities are arrested with "a level
