Unfortunately, many recent books on deism and the

Founding of the United States are polemical in intent. There are two notable exceptions however. David L. Holmes, *The Faith of the Founding Fathers* (2006) makes a scholarly argument for the importance of deism in the founding, albeit by examining a handful of Virginians. Alf J. Mapp, Jr.,

## **Providence Christian College | We Are Distinctly Classical**

For some time the question of the religious faith of the Founding Fathers has generated a culture war in the United States. Scholars trained in research universities have generally argued that the majority of the Founders were religious rationalists or Unitarians. Pastors and other writers who

## **Did America Have a Christian Founding? | The Heritage**

I tremble in fear for my country when the majority of conservatives believe we are a Christian nation; that frightening majority has forgotten our history, ignored our founding principles and abandoned our most cherished ideal of separating church and state. In mixing religion and politics, the religious right subverts both. And the world suffers.
