THE BOOK OF FATE | Kirkus Reviews

All books are a reflection of the time they're written in. And The Book of Fate is, to me, a reflection of our current world: a world where we all search for heroes—and especially after 9/11—where we realize that the super-perfect-idealized hero doesn't really exist anymore. In WWII, we were a country of supermen.

Fiction Book Review: The Book of Fate by Brad Meltzer

The Book of Fate is a 2005 novel written by Brad Meltzer. The book starts out with the premise that eight years ago, the oldest friend of the president of the United States was murdered by a crazed assassin, and his aide, Wes Holloway, was left permanently disfigured. A mysterious and impossible sighting of the supposedly dead man means Wes must face the truth of what occurred on that fateful day.
