### Trigonometry Companion | Thinkwell

Thinkwell is for professors who want change. Studies have shown that 80% of students don't read their textbook, which means that 80% of students show up to class unprepared. We also know that 30% of all freshman drop out of college within the first year, and 54% of all college students drop out without a degree. Thinkwell helps you change that cycle by offering your students a textbook they like.
